August 2007

Dear <Name>:

This letter is about your Medicare plan premiums and your request to have those premiums withheld in 2006 from your Social Security payment.

When we reviewed your records for 2006, we found that premium amounts weren't withheld or were withheld incorrectly from your Social Security payment for one or more months during 2006. This means <Organization Marketing Name>'s <PBP name> [,<Organization Marketing Name>'s <PBP name>, and <Organization Marketing Name>'s <PBP name>] didn't receive the total amount of premiums they were owed for all or part of 2006. Our records show that you still owe <PBP name> <amount> [,<PBP name> <amount>, and <PBP name> <amount>] for coverage you received in 2006. The amount that you owe may be different if you already paid your plan directly. Check with your plan for any changes to the amount listed in this letter.

Your plan may have already billed you and sent you a letter with special contact information for this matter. If you received this information, please follow the instructions given in that letter. If not, please contact your plan to arrange payment of the premiums that you owe.

Please accept our sincere apologies for any inconvenience. Thank you for your attention to this matter. Please be assured that you still have your Medicare coverage. If you have any questions about the Medicare Program, please call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
