

## Community of Care Guidelines for Innovations in Nutrition Programs and Services (INNU) Grantee Calls and Gatherings

These guidelines help create a positive and respectful environment during our time together. We are so excited to work with you and support you throughout your grant life!

### 1. Arrive Prepared and Engaged:

Join us ready to actively engage, collaborate and connect about the work at hand.

### 2. Minimize Distractions:

Please do your best to silence notifications and ensure your actions do not disrupt meeting time.

### 3. Active Listening:

Listen attentively during discussions and presentations to assist with involvement in the conversation at hand.

### 4. Respect for Diverse Perspectives:

Encourage a welcoming and inclusive environment by respecting and valuing diverse perspectives and ideas.

### 5. Participate Constructively:

Contribute to discussions in a constructive and meaningful manner.

### 6. Feedback and Continuous Improvement:

Share and be open to insights, experiences, and expertise to enrich the collective learning experience.

### 7. Professional Conduct:

Maintain professionalism and support each other in a positive way.

### 8. Fun!:

Let's enjoy our time together!
